## Executive Board 2009-2010

The Guilford County Schools school year is about over and GYC is looking for new members to become a part of their **Executive Board**. The Executive Board is a group of GYC members who have positions that together help GYC stay organized. There are many positions that will not be filled after this school year considering most of the Executive Board will be graduating this year! A list of position descriptions for GYC will be posted in the next edition of Connections. Getting a position on GYC's Executive Board is a great way to earn points and receive incentives. If you think you want a position on GYC's Executive Board contact the GYC office and become more involved with GYC in order to have a better chance at becoming an EB member!!!!'

# Top Secret

Did you know GYC gives out incentives? Every time you earn a certain number of points you will receive an incentive. The more points you earn, the better the incentives are. Wait there's more...every time you write an article for connections you receive a point. An article could be a poem, a write up on the latest news, a story, pictures etc. Also becoming an assistant for one of the executive board members can help you get A LOT of points! GYC also looks good on college applications and it counts as a plus for community service. If you like to make friends and help out in the community join GYC!
